

FABRICACIÓN DE ETIQUETAS

Autoid fabrica una gran **variedad de etiquetas en rollo**, preparadas para imprimir en todo tipo de impresoras térmicas.

Las etiquetas se destacan por la **elevada calidad y durabilidad** del material, alta resistencia del adhesivo y fácil al colocar en varios tipos de superficies. Se trate de etiquetas de papel o de plástico sintético, el material se elige cuidadosamente para proporcionar una **alta precisión y legibilidad**.

Todas nuestras etiquetas pasan por un riguroso control de calidad después de lo cual se identifican por el tipo de etiqueta, medición y lote.

Varios tipos de Etiquetas

- Térmicas
- Transparentes
- Mate
- Medio Brillo
- Polipropileno
- Poliéster
- Seguridad
- Cartulina

¿Qué diferencia a nuestras etiquetas?

- ✓ Fabricación y envío rápido
- ✓ Más de 400 medidas de etiquetas en diferentes tipos de materiales (papel y plástico)
- ✓ Etiquetas acondicionadas para la preservación
- ✓ Garantía de Calidad EPS 2 años
- ✓ Materia prima optimizada para impresión, aumentando el tiempo de vida de las impresoras
- ✓ Etiquetas y adhesivos de acuerdo con las normas de los diferentes sectores
- ✓ Compatibilidad en impresoras Zebra, Citizen, Sato, Datamax, Toshiba, Intermec
