

Fabricación de Etiquetas adhesivas

AutoID fabrica una gran variedad de etiquetas en rollo, preparadas para imprimir en todo tipo de impresoras térmicas.

Las etiquetas se destacan por la elevada calidad y durabilidad del material, alta resistencia del adhesivo y fácil al colocar en varios tipos de superficies. Se trate de etiquetas de papel o de plástico sintético, el material se elige cuidadosamente para proporcionar una alta precisión y legibilidad.

Todas nuestras etiquetas pasan por un riguroso control de calidad después de lo cual se identifiquen por el tipo de etiqueta, medición y lote.

Varios tipos de Etiquetas

- Térmicas
